What's so special about us?

Well, it couldn't be simpler.

Everything you see here is within a five mile radius of the fictional village of Myles Mere. This includes Junction 28 M25, M11, full cooperation where required from the local council and highways.

Yes, 100% of the Film and TV locations and facilities featured here are within a five mile radius of the centre of operations.

All facilities, sets, existing props and locations are on private land set in thousands of acres with Capability Brown lakes, rivers and ponds, variations of woodlands, country lanes with no traffic or passers by.

2nd units can work independently in peace and quiet. An assortment of props and vehicles are always on-site.

Whatever you need - if you can't see it here, contact us online: www.mikefisherorganisation.co.uk or by phone, **UK: +44 (0) 1708 725081** and we will almost certainly be able to arrange it for you.
